
KEVIN DIEM

PROFILE

I'm a software developer who enjoys working across the stack. JavaScript is my go-to language but Python is quickly becoming a favored tool in my toolset. I'm passionate about UX be it in client software, API design or when writing libraries.

SKILLS

JavaScript, PHP, Java, Python, SQL, HTML, CSS, REST

jQuery, Angular, React, Laravel, Android Studio

MongoDB, MySQL, Oracle

EXPERIENCE

SOFTWARE DEVELOPER, COMPUTER SERVICES, TEMPLE UNIVERSITY – DECEMBER
2016 - PRESENT

Create web pages, web services and software integrations. Support legacy software and custom applications. Contribute to UI and SQL libraries. Automate routine tasks like checking for failed processes and polling for service outages.

SOFTWARE DEVELOPER, GENERAL EDUCATION PROGRAM, TEMPLE UNIVERSITY –
APRIL 2016 - MAY 2017

Created two WordPress themes, several workflow apps, and apps for students and instructors. Designed and consumed RESTful web services. Utilized AngularJS and jQuery. Wrote JavaScript tests. Automated social media presence and feedback program.

WEB DEVELOPER, MISC DEPARTMENTS, TEMPLE UNIVERSITY – SEPTEMBER 2016 -
JANUARY 2017

Updated and revitalized web pages. Converted existing, fixed layouts to mobile responsive. Repaired ASP.Net MVC projects started by capstone students. Provided support and web design training to staff members.

WEB DEVELOPER & IT SUPPORT, COLLEGE OF PUBLIC HEALTH, TEMPLE
UNIVERSITY – AUGUST 2015 - JUNE 2016

Developed an intern application for employees to request off. Monitored ticketing system, recorded steps and solutions. Provided support for Windows 7 and Mac OS X in a classroom and office settings.

VOLUNTEER EXPERIENCE

WEB DEVELOPER, MITZVAH CIRCLE FOUNDATION – NOVEMBER 2016 - PRESENT

Developing an event calendar and volunteer registration system with DocuSign and Salesforce integration. Designed HTML emails.

WEB DEVELOPER, PHILADELPHIA URBAN CREATORS – OCTOBER 2015 - AUGUST
2016

Designed and implemented MEAN stack blog. Assisted in Arduino Uno sensor programming. Managed remote Ubuntu server.

EDUCATION

TEMPLE UNIVERSITY, PHILADELPHIA, PA – MANAGEMENT INFORMATION SYSTEMS,
MAY 2017
